Main Committee Message

The weather in the month of July 2019 has been very challenging as we experienced very hot days throughout the beginning of the month. However, a slight reduction on the temperature has started and we hope it will cool down towards the coming month.

Highlights on activities:

- * The Chinese Section AGM was held on 17th July and the Hispanic section AGM was held on 30th June 2019
- * The club has installed 2 new vending machines near old coffee shop.
- * We also started our DJ performance on Fridays starting on 26th July.

We would like to inform you that we will soon launch social media groups in Facebook and Instagram and the icons will be made available in our website as well as the mailers coming from the club. We will notify you via email on the social media accounts when we go live.

Ras al Hamra Club management has been busy preparing the introduction of online services for our members so that you will be able to:

- Pay your Club membership fees online (external members & Retirees only)
- Top up your Club membership card and those of your dependent's online

In the coming months more services will be added, including below:

- Reserve a tennis court and pay your fee online
- Register for an activity or class online
- Book tickets for a RAHRC event
- You will be able to access your MyClubAccount via the RAHRC website displaying 'Online Payment Login'

We would like to welcome 2 new committee members here and soon they will introduce themselves on their bulletins to follow:

- Simone Hemink-Steuns as RAHRC Sports Secretary
- Jahanbani, Shahram as RAHRC Honorary Treasurer

Windsurf Section

The last windsurf activity of the 2018-19 season was a free-entry windsurfing afternoon on Friday 5 July followed by dinner at the club restaurant.

Wind conditions were light but steady, allowing participants to refresh their skills under favourable conditions.

The dinner allowed a brief lookback on the season, with the highlight being the windsurf races during the Annual Sailing Regatta in February. This will definitely be further developed at the next Regatta.

Furthermore, this season saw many beginners classes, and the first class for more advanced sailing, reflecting a progression by some of the learners over the past year or two.

For next season, plenty of new ideas came up. We will set up a monthly windsurfing afternoon to allow regular practice with like-minded people, and also aim for one or two off-site activities such as an Azaibah weekend or Masirah trip, depending on interest !

If you are interested joining a beginners class, please drop your name to one of the instructors below or RAHRC front office staff.

Once we have collected a reasonable group of people we'll set up another learners weekend next season.

All Divers Are Welcome to Drop in!

Whether you're a new diver or a seasoned pro, we welcome you to our club. We offer a friendly and supportive environment for all levels of divers. If you're looking for a place to learn, improve your skills, or just enjoy the underwater world, we're here for you. Contact us today to find out more.

COME AND MEET US AT OUR REGULAR PLANNING MEETING AT 8.00 ON WEDNESDAYS IN THE DIVE ROOM/BOAT CLUB BAR

ALREADY A DIVER?

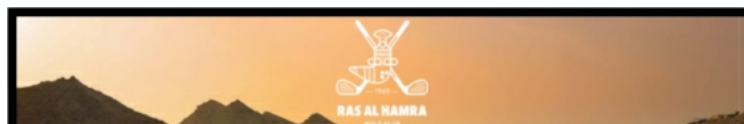

If you are already an Open Water Diver -- no matter which organisation your qualification is with (PADI, SSI, NAUI etc.) -- you can simply come and dive with us. You won't need to do any more training but there are lots of opportunities to "cross over" to BSAC and gain further skills and qualifications if you want. Contact our Membership Secretary—Chris Grace (96964996) - or come along to our weekly planning meeting on a Wednesday evening to find out more.

If you have not dived for a while we run regular "back in the water" sessions and there is still time to join these.

Want to Learn to Dive?

We are not currently planning a beginner course so if you are keen to get started you can train with one of the commercial dive schools and then join us once you have qualified. Either way, call in on one of our regular Wednesday meetings to get the low-down from our Training Officer—Neil Abbott.
